### ACTIVE INGREDIENTS

#### CHEMICAL NAME

n-Alkyl dimethyl benzyl ammonium chloride ( CAS No. 68424-85-1 )  
Isopropanol ( CAS No. 67-63-0 )

#### APPROXIMATE WEIGHT %

10.0 %  
20.0 %

### APPEARANCE AND ODOR:

Blue-green-black / Light blue  
Medicinal Alcoholic / Almost no odor - Odorless

### EMERGENCY AND FIRST AID PROCEDURES

FIRST AID	
If inhaled:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
If on skin or clothing:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for further treatment advice.
If in eyes:	Hold eyes open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.
If swallowed:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
<b>HOT LINE NUMBER</b> Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact CHEM-TEL at 1-800-255-3924 for emergency medical treatment.	
<b>NOTE TO PHYSICIAN</b> Probable mucosal damage may contraindicate the use of gastric lavage.
